MISSION?

Dear Business Supporter:

You're invited to join the North Carolina Veteran Business Association (NCVetBiz) Corporate Sponsors and Buyers, Affiliate Representatives, Federal, State and Local Government Representatives, Veterans and Military Spouses Businesses and Board of Directors as we deliver on our Mission: Connect, Educate, and Support veteran and military spouses in commerce September 12th at the beautiful Sheraton Charlotte Airport Hotel for a day of Connecting, Learning and Business Building. Our Mission is to:

Support - We provide mentoring, counseling, resources, and personnel to help members navigate the vast array of services offered by commercial, state and federal agencies for commerce. We participate in the Veterans Business Outreach Center Boots to Business and the VA Veterans Readiness and Employment programs.

Educate - Our annual "Procurement Summit" attended by corporate, as well as large and small businesses, is where we educate business owners about obtaining certifications, strengthening their business, and winning contracts. Members learn from procurement and contract professionals as well as keynote speakers who share pertinent commerce information about North Carolina.

Connect - Bring our members together through local and state events, representing them at SBA, Department of Military and Veteran Affairs, NC Military Business Center, and NC Department of Commerce and Administration events, as well as various networking events where important relationships are developed.

We are excited to announce the launch of our regional model full of business owners across North Carolina. This action has increased the accessibility to, and awareness of, veteran and military spouse owned businesses. Today, these businesses are easier to find and engage with than ever through our mission and memberships. **Corporate memberships and sponsorships enable and support these businesses.**

We welcome the opportunity to share more about our mission, commerce activities, and how corporate partners may assist and allow us to continue to support the veteran and military spouse community. Thank you in advance for all you and your company do throughout the state!

Together we can build a stronger veteran and military spouse business community here in North Carolina. We look forward to your sponsorship!
